

REMARKS

Applicants respectfully request that the foregoing amendments be made prior to examination of the present application. This amendment adds, changes and/or deletes claims in this application. A detailed listing of all claims that are, or were, in the application, irrespective of whether the claim(s) remain under examination in the application, is presented, with an appropriate defined status identifier.

Claims 1-8 are requested to be cancelled.

Claims 9-22 are being added.

After amending the claims as set forth above, claims 9-22 are now pending in this application.

Amendments to the Specification

In the specification, a Substitute Specification under 37 C.F.R. §1.125 has been provided to replace the originally filed specification for clarity. No new matter has been added.

Amendments to the Drawings

A transmittal of formal drawings are attached hereto for the purposes of separating the left side of FIG. 3 from the right side of FIG. 3. The same is represented and labeled respectively FIG. 3a for the left portion and FIG. 3b for the right portion.

Amendments to the Claims

Claims 1-8 have been cancelled. The added claims are fully supported by the disclosure in the Specification as originally filed and are added for the purposes of satisfying the requirements of 35 U.S.C. §112 and to provide Applicants with the entire scope of protection for the disclosed invention.

Conclusion

Applicants believe that the present application is in condition for allowance.
Favorable consideration of the application as amended is respectfully requested.

The Examiner is invited to contact the undersigned by telephone if it is felt that a telephone interview would advance the prosecution of the present application.

Respectfully submitted,
